Verbs

Verbs are active let me see,
What they really mean to me.
When I need to *jump* or *play*,
Verbs are types of words I say.
When I *eat*, *sleep*, *run*, or *walk*,
I use a verb when I *talk*!
Am and *is* are verbs as well,
Just like *skip* and *run* and *tell*
Action, action they do say
We use verbs like them each day.
