Long

The Association for Middle Level Education (AMLE) invites you to participate in the most comprehensive and valuable professional learning opportunity available to any educator who works with students ages 10-15. The 45th Annual Conference for Middle Level Education is coming to Orlando, Florida, October 25-27, 2018.

With more than 400 of the brightest minds in education presenting research-based practices in more than 60 different topics, you will return to your school or classroom inspired and equipped with proven strategies to improve instruction and help students achieve. Among the more than 500 conference sessions, you'll find sessions on using **Technology** for learning, understanding **Young Adolescent Development**, student-driven **Assessment**, **Social Emotional Learning (SEL)**, helping **At-Risk Students**, **STEM**, **Project-Based Learning**, and more than 50 additional topics.

Register as a team and get every fifth person free. Visit www.amle.org/FL for more conference details.
