

Hooray! I did it!

<p>Clear goal</p>  <p>I know what needs to be done.</p>	<p>“Behave, Brain!”</p>  <p>I was able to keep my focus.</p>
<p>Try Again</p> 	<p>Ask</p>  <p>I made progress when I asked for help.</p>
<p>Take a step</p>  <p>At least I got started.</p>	<p>Find Fun</p> 
<p>Time and patience</p> 	<p>Oops</p>  <p>Now I know what doesn't work.</p>

These help me learn.
