

# Middle Level SEL Institute

June 18–19, 2020

**National Louis University, Chicago Campus**

122 S Michigan Ave, Chicago, IL 60603

At the Middle Level SEL Institute you will explore practices that transform social-emotional learning in your school or classroom. Designed specifically for middle school educators, this event brings you in-depth sessions and learning experiences on young adolescent development and using this knowledge as a base to build exceptional SEL practices in your school community.

This event will provide:

- Engaging and personalized content with the opportunity for facilitated debriefs
- Opportunities to network and share best practices with other middle level colleagues

## Included in registration

- In-depth training for middle grades educators
