

AMLE2017

PRESENTER

.....
Annual Conference for Middle Level Education

Philadelphia, PA • November 6–8, 2017

Audio/Visual for Concurrent, Spark and Tell, and Symposium Sessions

The following Audio/Visual will be provided in each session room:

- **LCD Projector** — Includes: Screen and a projector with VGA (standard definition) and HDMI (High Definition) inputs. Items needed, other than a screen and projector can be selected from the list below.
(*If you are bringing a Mac based computer, see below)
- **Podium and Microphone** — A wired microphone will be at each podium. If you prefer a wireless lapel microphone, please see below.
- **Wireless Internet Access** — Presenters will be provided with instructions for connection.
- **Laptop Audio Sound Patch** — Have music or videos in your presentation? Connect your computer to the house sound.
(sound patch is required if you have sound during your presentation)
- **Projector Remote** — Be mobile and control your PowerPoint from anywhere in the room.

The following items are available to order on the Presenter Registration Form for Concurrent Sessions only:

- **Flip Chart/Markers** — Non-adhesive flip chart paper on a hardback easel with (2) markers.
- **Laptop Computer** — HP Laptop with Windows 7 and Office 2010. (Mac computers not available)
- **Wireless Lapel Microphone** — Be mobile and have your voice heard clearly from anywhere in the room.

**Any presenter bringing a MAC Based Computer is required to provide their own MAC to VGA or MAC to HMDI Adapter

Speed Learning Sessions: Only Wireless Internet Access is provided. No additional Audio Visual is provided or available to order.
