<p>1. The UN was founded to preserve world peace by promoting international peace.</p>	<p>With a union this large wouldn't world domination always be on their mind? Although it is meant to promote peace I could see this turn into another war and the UN dominating the entire war.</p>	<p>435 Question</p>
<p>2. These "superpowers" were the United States and the Soviet Union</p>	<p>There is bound to be tension between these two nations if there are two superior countries then they will both strive to be the best. The world is power hungry and there cannot be two number ones.</p>	<p>436 prediction</p>
<p>3. They saw the communist as a cruel system that took away people's... Freedom of speech.</p>	<p>This government, communism, reminds me of the Chap's way of ruling in the novel <u>Hunger</u> and the <u>Sea of Stories</u>. In both, the citizens are unable to have free speech. The United States feels this to be wrong the way the Gouper felt</p>	<p>437 text to text</p>
