THE AMLE FOUNDATION FUND GOALS

The AMLE Foundation Fund was established in 1995 to receive charitable, tax-deductible gifts to support programs and initiatives that fulfill the mission and purposes of AMLE. Since its inception, the Foundation Fund has supported a number of initiatives including school improvement grants based on *This We Believe* principles, the Educator of the Year Award program, the Legacy Video Project, and the annual Collegiate Middle Level Association Chapter grant. Our work is just beginning.

The AMLE Foundation Fund has ambitious goals to realize its long-term vision. The Foundation Fund Committee is charged with the responsibility of soliciting gifts to the Foundation Fund from AMLE members and other interested parties. Three types of gifts are possible: lifetime gifts, charitable bequests, and individual annual donations. Donations may be made in honor of a colleague or in memory of a loved one. The Foundation Fund will be able to realize its goals through contributions from AMLE members and others who recognize the value of the leadership, resources, and services provided by AMLE.
